

## Authority, Believe, Committed

Have you ever thought about what Christianity really comes down to? What are the essentials, the key principles to equip you for life? The answers to these questions are found right here.

Using the Bible as the basis for each chapter, this book will teach you the foundational truths to a successful Christian life.

From the British Armed Forces to successful businessman to an Area Manager of Full Gospel Business Men's Fellowship International, Malcolm White has done it.

With a wealth of life experience and knowledge of the Bible, his writing is now helping others reach their potential in God.
